Redford, MI · (248)-954-9303 · tai.c.fowler@gmail.com · [Linkedin](#)

EDUCATION

Pomona College

Bachelor of Arts in Mathematics

- 3.6 cumulative GPA
- Relevant coursework includes: Calculus III, Computational Statistics, Differential Equations + Modeling, Methods in Biostatistics, Methods in Modern Modeling, Principles of Real Analysis I, Probability, Stochastic Processes, and Intro to Partial Differential Equations

Claremont, California

May 2026

PROFESSIONAL EXPERIENCE

Carnegie Mellon University

Sports Analytics Researcher

- Conducted exploratory data analysis on wrangled data from the Ultimate Frisbee Association (UFA). Analyzed a dataset that included over 15,000 data entries spanning 2 UFA seasons.
- Worked alongside a Major League Baseball (MLB) senior analyst to perform various clustering models on MLB bat tracking datasets. Conducted clustering analysis on dataset that included 300,000 data entries.
- Presented MLB clustering data analysis to over 60 scholars of statistics and data analytics including peers, PHD students and faculty of Carnegie Mellon University.

Pittsburgh, PA

May 2025- July 2025

Pomona College

Biostatistics Teachers Assistant

- Graded every assignment and provided informative feedback for 30 students in the Methods in Biostatistics course.
- Collaborated with course instructor to ensure the clarity of the grading criteria and uphold consistent constructive feedback.

Claremont, California

January 2025 - May 2025

Mathematics Research Assistant

- Conducted functional analysis research regarding quantum metrics on vector-valued functions.
- Worked with 3 peers and an advising professor to promote collaboration on building mathematical proofs for our specific area of research.

January 2024 - July 2024

5C Colleges Consortium

Club Sports Event Manager

- Organized competitive Club Sports events through set-up, scorekeeping, and clean-up of events for 22 different club sports programs.
- Coordinated with director of campus recreation and club-leaders to ensure efficient match operations.

Claremont, California

October 2023 - May 2026

The Roeper School

Camp Counselor

- Fostered safe and collaborative camp environment by organizing and supervising engaging activities for young campers ranging ages 3-13.
- Collaborated with fellow counselors and camp advisors to organize and lead daily activities for over 300 campers.

Bloomfield Hills, MI

June 2023 - June 2024

CONFERENCES

Carnegie Mellon Sports Analytics Conference

Live-Talk Presenter

- Delivered a presentation on clustering models for derived from a bat-tracking dataset containing over 300,000 entries, translating our results for an audience of researchers and practitioners.

Pittsburgh, PA

October 2025

Joint Mathematics Meetings (JMM)

Poster Presenter

- Presented summer research that investigated functional analysis, regarding quantum metrics on vector-valued functions to 40 scholars of mathematics.

Seattle, WA

January 2025

Mathematical Association of America SoCal-Nevada

Live-Talk Presenter

- Hosted a live-talk that discussed summer research that investigated functional analysis, regarding quantum metrics on vector-valued functions to 20 scholars of mathematics.

Claremont, CA

October 2024

INTERESTS

Collegiate Athletics

- **Captain 5C Men's Basketball 2022-Present:** Co-captain past two years, starting player for four years, and 10 years of basketball experience.
- **Pomona-Pitzer Football Team:** Competed as a wide-receiver with the Pomona-Pitzer Football team during the Fall 2023 season.

Foodie/Home Chef

- Developed a love for cooking from an early age by learning from parents/grandparents and various cooking shows. I have an avid love of cooking for my family and friends.
- Over 2 years of experience working in the food service industry.
